Gigondas 2004

Chateauneuf du Pape 2004 and 2005

Cote Rotie 2004

This will be another good tasting to attend, try these wines here, so you don't have to open one stashed in your cellar to assess it's condition and drinkability.

Also some of the wines are still available in some stores.

Miss this tasting and after talking to friends you'll wonder why you didn't go.
