Remember the Millennium? Remember the glut of wonderful champagne available after the big event? The club made some significant purchases and now is our chance to discover how these wines are evolving.

Starting with a reception champagne accompanied by complementary appetizers we will sit down at 7pm for a tutored tasting of eight champagnes chosen from our cellar. We are fortunate to have caught our erstwhile president and peripatetic wine guru Sid Cross at home for this event. As many of the wines were selected by Sid we anticipate that he will be curious to finally taste the wares and provide his much sought after opinions.

### **Les Champagnes**

Phillipponat Royale Reserve Brut
